Dear Accounting Teacher:

I'm proud to announce the release of our new 2-in-1 [textbook](#), offering thorough and comprehensive training in QuickBooks Online *while* preparing students to ace the certification exam in this essential business computer application.

Featuring the perfect blend of easy-to-follow instructional videos and hands-on activities, [QuickBooks Online for Certification](#) is 100% aligned to Certipor's Intuit QuickBooks Online Certified User exam objectives, helping arm students with one of today's most sought-after workplace certifications.

Students will gain fluency and experience using QuickBooks Online to set up customers and record money-in and money-out transactions, manage vendor records, customize and deliver reports, and much more. And since the lessons are built around working first-hand with the embedded **QuickBooks Sample Company File**, this text makes it easy to learn and practice directly within the application.
